

PRIVATE PROTECTION TRUST

(Description and Disclaimer)

The attached Private Protection Trust hereby accepts ownership of a single vehicle secured for the beneficiaries of a private estate of individuals.

This Private Protection Agreement when completed and accepted, protects and separates ownership from all individuals, claims against all individuals, Companies, Corporations, Partnerships, Limited Liability Companies (LLCs), Businesses, divorces, liens, judgments, and disputes between all individuals.

This Private Protection Agreement is specifically designed for valuable vehicles such as Classics, Originals, Antiques, Exotics, Prototypes, Collectables, Hot Rods, Racers, Custom Vehicles, Boats, Ships, Motorhomes, and other transportable or licensed vehicles.

This is a private agreement with private registration.

This Private Protection Agreement takes effect and is certified by the embossed SEAL of Guardian Guaranty Group. The EMBOSSED SEAL physically alters the document in addition to a PRINTED SEAL (if any).

This is not insurance or a Policy of Insurance. This is not an insurance agreement or involved with securities, stock, investing, investments, services, or other products. None of the parties to this agreement are a government agency. Nothing in this agreement is offered by a insurance company, securities company, or government agency. Parties to this agreement will not disclose, sell, trade, or lend information to anyone other than the herein included and signed parties.

I/We have received and understand this Description and Disclaimer, and hereby agree and participate in the Private Asset Trust as designed for the beneficiaries.
